## Emergency Calls

Call or dial Operator and say: "I want to report a fire," "I want a policeman," or "I want an ambulance." ### Party-Line Service

Satisfactory party-line service depends upon the co-operative use of the service by all on the line. Please limit your conversations reasonably and give immediate right-of-way to emergency calls.

### Listen Before You Dial

Remove the receiver and listen for the dial tone—a steady humming sound. This indicates that the dial equipment is ready to take your call. Please do not dial until you hear it.

### Directory Listings

Every subscriber may be listed once in the alphabetical section of the directory without charge. Additional listings may be arranged for at an additional charge, according to the kind of listing required.

The letter "b" following the name of an individual in a listing denotes that it is a business listing; residence listings are indicated by the letter "r".

When you receive a new directory, we suggest that you check your listings. If they are incorrect in any particular, please call the Business Office so that we may adjust our records for the next issue and protect your service in the meantime.
